4. Government Order No. P. W. 4404-10—S., dated the 28th May 1940, directing the formation of a separate Irrigation Cess Fund for the Mandya District from 1st July 1940.

ORDER No. P. W. 4760-78—S., DATED BANGALORE, THE 24TH JUNE 1940.

In accordance with Government Order No. P. W. 3757-9—S., dated the 19th April 1940, a sum of Rs. 3·00 lakhs has been provided in the budget for 1940-41 under "23.- Irrigation Charged to Revenue" for being given as grant-in-aid to Irrigation Cess Fund. Of this, a sum of Rs. 1·34 lakhs has been kept as reserve for being utilised on repairs to the leaky sluices of tanks and the balance of Rs. 1·66 lakhs distributed among the several districts as shown in column 16 of the annexure I. Taking into account the sum of Rs. 1·66 lakhs so distributed, the receipts during the year 1940-41 amount to Rs. 7,00,210. The anticipated balance on 1st July

1940, and the receipts during 1940-41 together with those of the previous year are shown below :—

NOTE.—Column (3) includes a contribution of Rs. 70,265 from State Funds for the maintenance of river fed channels; and this will be allotted from a provision of Rs. 1,50,000 made in the budget for 1940-41 under "23. Irrigation charged to Revenue—4. Repairs."

2. The Revenue Commissioner has proposed a programme of works for an expenditure of Rs. 5,51,398. This programme is far in excess of receipts. Yet, in view of the fact that a grant-in-aid from State Funds will be available for expenditure and with a view to get through the urgent works expeditiously, so that necessary redress may be afforded to the raiyats, the proposals of the Revenue Commissioner are sanctioned subject to slight changes in the figures for Establishment, Tools and Plant Charges and a reduction of Rs. 4,000 from the provision for unforeseen works made for the Chitaldrug District. The budget estimates of expenditure as sanctioned will be as follows:—

District	Expenditure during 1939-40		Expenditure during 1940-41

	Rs.	Rs.	Rs.
Bangalore	22,358	42,358	33,606

Total ...	3,62,791	4,65,916	5,46,283

3. The grant for 1940-41 is thus in excess of the grant for 1939-40 by Rs. 1,83,492. With this increased grant it should be possible to pay adequate attention to the repairs of leaky sluices of tanks, the importance of which is being pressed on the attention of Government at the Sessions of the Representative Assembly and Legislative Council. There is also a reserve of Rs. 1·34 lakhs for being utilised for repairs to leaky sluices of tanks and other urgent works. Detailed programmes for the same should be submitted very early.

4. The closing balance at the end of 1940-41 is estimated at Rs. 1,53,927.

5. The details of receipts and expenditure are furnished in Annexures I and II.
